Headteacher's Note

Over the past few weeks, parents and I have met to discuss the reforming of the PTA. The PTA is a charity run by school parents that aims to bring the school community together, and to raise funds that support the school and enhance the education of our children. However, the PTA cannot run without YOU. On Thursday 2nd November at 3.30pm, the first annual general meeting (AGM) for our PTA will be held and all parents and staff are invited to attend. At the AGM, members of the PTA committee will be elected and parents have a chance to nominate themselves beforehand to be on the committee. After the committee is elected, the PTA can then start planning the various fundraising and social events which will take place over the next year.

More details about how to nominate yourself can be found in the attached document. I look forward to seeing parents at the AGM after half term!

Dayglow Day

On Friday 20th October, we are holding Dayglow Day at school. All children (and staff) are invited to wear bright or fluorescent clothing to demonstrate awareness for the darker nights and for the importance of road safety.
