HEADTEACHER'S NOTE

It is Safer Internet Day next week, a national day where all schools focus on online safety. This year's theme is all about change and influence online and our assembly will explore how children can best keep safe when navigating websites and apps. Attached to this newsletter are two really useful documents produced by NOS (National Online Safety) which show parents how to set up parental controls for apps on iPhones or Android phones. More useful advice for parents can be found here: <https://saferinternet.org.uk/safer-internet-day/safer-internet-day-2024/parents-and-carers>
