## HEADTEACHER'S NOTE

Since the beginning of the Spring term, children have not been able to use our main hall because of essential structural work taking place. I am pleased to say that we will have use of the hall from next week. Something that I have missed the most at school during this time is being able to hold 'in person' assemblies. These will resume as well as indoor PE.

Today, reports will be sent for Nursery, Reception, Year 1 and Year 2 pupils. Next week, reports will be sent to Key Stage 2 parents via School Ping. These will provide information about pupils' learning over the first two terms. The final parent consultations will be held at the beginning of July. Of course, if you want to speak informally about your child's learning, you can catch up with their teacher after school and arrange to meet with them.

Year 4 visited Hainault Forest Country Park as part of their habitats topic for Science. We spotted different types of plants and had a challenging time finding insects in their habitats! We managed to spot some tadpoles too. It was a tiring but fun day out!
