

Year 6

Meet the Teacher

September 2025

Welcome from the Year 6 team!

- Miss Turtington/ Mr Endacott
- Miss Morris/Ms Azigbo
- Miss Panesar
- Phase Leader –Ms Twyford

Uniform expectations

Lots of useful information can be accessed from our website. Look for the 'Parents' tab on the homepage.

www.gilbertcolvin.co.uk

Some uniform reminders:

- No Smart watches or jewellery. Only plain stud earrings are allowed.
- Pupils should wear sensible black or navy shoes or black trainers. No other colour trainers please. If there's a short term challenge with this, please let the school know.

Teachers will let parents know if their child is not wearing the correct uniform.

School Uniform Requirements

- Plain black shoes or plain black trainers
- · Grey or black skirts or trousers
- · White shirts or white polo shirts
- Royal Blue sweatshirts/cardigans

Children will also need a school book bag (we do not have storage for large rucksacks).

P.E. Kit

PE Uniform

On PE days, children come to school in their PE kit

- Trainers
- · A pair of black jogging bottoms (Outdoor P.E.)
- A pair of black shorts (Indoor P.E.)
- White T-shirt
- School Sweatshirt

Positive not punitive

We have a values based, positive behaviour system. We discuss with our classes what good learning behaviour looks like and how we can show that we are 'Ready to Learn'. This is closely linked with what it means to be a pupil at Gilbert Colvin and the school's values of *courage*, *perseverance* and *integrity*.

Green Trackit points and certificates are awarded for positive behaviours. Pupils are asked to reflect upon their behaviour if there are more serious incidents. Parents are informed if pupils have had 'reflection time'.

Inclusion Team

Some children may have additional support and work with our ELSAs individually or in small groups.

Mrs Begum – Inclusion Manager/SENDCo Mrs O'Sullivan – ELSA (Emotional Literacy Support Assistant) Miss Collins – ELSA (Emotional Literacy Support Assistant)

Behaviour Policy

This can be read on our website https://www.gilbertcolvin.co.uk/key-information/policies

This is how we do it here. Whatever happens at home, in school, we have an agreed set of behaviours that teachers will be modelling and we will expect from the children.

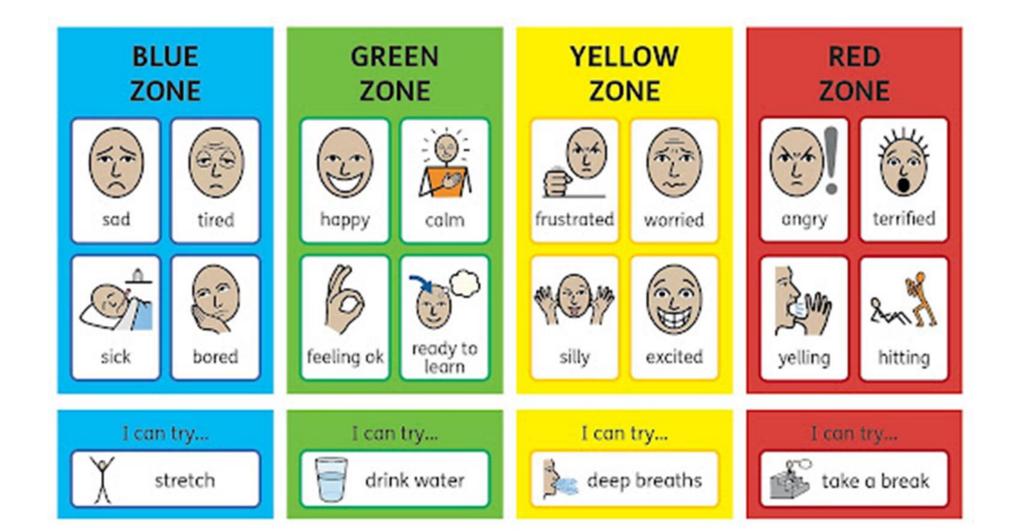

As a whole school, we focus on positive behaviours, including: greeting each other, walking (not running), being kind to each other in the playground.

Behaviour for learning – in classes. This will be more specific and linked to positive learning behaviours and the Gilbert Colvin values of *courage*, *perseverance* and *integrity*.

Consequences hold – good behaviours don't cancel out the bad ones. For more serious incidents, children will be asked to write a brief reflection to think about their behaviour choices. We will let you know if that's happened.

Behaviour – Zones of Regulation

- The Zones of Regulation is a framework that helps children develop self-regulation skills by categorising emotions into four colour-coded zones:
- **Blue Zone**: Sad, tired, sick, or bored (low energy state).
- **Green Zone**: Calm, happy, focused, and ready to learn (optimal state for learning).
- Yellow Zone: Frustrated, anxious, excited, or wiggly (heightened emotions but still in control).
- **Red Zone**: Angry, overwhelmed, or out of control (extreme emotions).
- Schools use this approach to help children recognize their emotions and develop strategies to move towards the Green Zone.
- Teachers and support staff guide children in identifying triggers and using coping mechanisms like deep breathing, movement breaks, or talking with a trusted adult.

Online safety is:

- Protecting children from harmful content, contact, and conduct online.
- Includes knowing what they're accessing, who they're talking to, and how much time they're spending online.
- It's about helping them navigate the digital world responsibly and confidently.

Why online safety matters for parents:

- Children often don't recognise risks online.
- Harmful content, strangers, and peer pressure are easier to access.
- Excessive screen use affects mood, health, and behaviour.

What you can do as parents:

- Set up parental controls on all devices.
- Ensure age-appropriate content and apps are used.
- Know what platforms your child uses and who they interact with.

There is an online safety page on our website for pupils https://www.gilbertcolvin.co.uk/curriculum/online-safety and for parents https://www.gilbertcolvin.co.uk/information-for-parents/apps-and-website-guidance

For all online safety concerns, please contact our deputy designated safeguarding lead, Mr Endacott.

Curriculum – what we will be covering this half term

English

- Draw inferences on events in a text.
- Draw inferences from a character's actions about their thoughts, feelings and motives.
- Explore the author's use of grammatical features and their impact on the reader.
- · Use the author's style to plan and write a narrative.
- Use a range of techniques to build tension and pace in narrative writing.

History

- Ask and answer historically valid questions.
- Understand that our knowledge of the past is constructed from a range of sources.
- Make confident use of these sources to support an argument.
- · Establishing clear narratives across a period of time.
- Make connections between British, local and world knowledge.
- Understand why the Battle of Britain was a turning point in British history.
- · Describe a local history study.

- RE Sikhism

 Learn about the life and work of Guru Nanak.
- Understand that religious and spiritual equality is a key value in Sikhism.
- Learn about the Gurdwara as a place of worship, learning and service for the community.
- Research the origins and authority of the Guru Granth Sahib.

Maths

- Compare and order numbers with up to 6 digits, including decimals.
- Round numbers to the nearest 10, 100, 1000, 10,000 and 100,000.
- Multiply and divide numbers by 10, 100 and 1000.
- Effectively apply mental and formal written methods for all four number operations.
- Secure instant recall of multiplication facts and apply them to a range of problems.

Science

Living things and their habitats

- Decribe how living things are classified according to similarities and differences.
- Give reasons for classifying plants, animals and microorganisms.
- Understand the significance of Carl Linneus. Light
- · Recognise that light appears to travel in straight lines
- Explain that objects are seen because they give out or reflect light into the eye
- Explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- Understand why shadows have the same shape as the objects that cast them

PSHE

- Identify individual goals and understand fears about the future
- Understand that children have rights and responsibilities.
- Know that actions can affect others.

Year 6

Autumn 1

Overview

 Understand how democracy and having a voice benefits the school community.

Spanish

- Know how to say the Spanish alphabet phonetically.
- The Date

Curriculum – foundation subject topics that will be taught this year

Geography

Where does our energy come from?

Why does population change?

English – how we teach reading at Gilbert Colvin

- Nursery Year 2 Read Write Inc phonics programme
- Year 2 Year 6 Reading VIPERS programme
- All children read core texts as part of their English lessons
- Children have story time at the end of the day
- Children in KS2 have daily independent reading for pleasure time

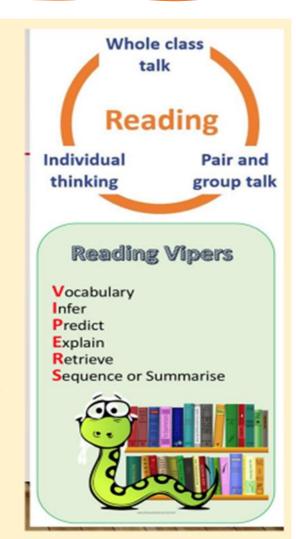

English – how we teach reading at Gilbert Colvin

VIPERS reading

- Whole Class Reading is the lesson in which children study specific texts and extracts from high quality books to learn and refine their skills in reading and comprehension.
- Children use the 'VIPERS' framework to help break down the individual skills required to read and comprehend a text fully.
- These skills are taught individually and build up over time throughout Key Stage 2, until children can read fluently and comprehend fully.

English – how we teach reading at Gilbert Colvin

Accelerated Reader

- Accelerated Reader is the system we use in school (years 2 6) to find your child a difficulty-appropriate and age-appropriate book to read that will ensure they continue to make progress.
- Children complete 'Star Reader Tests' that give your child a numbered range from which your child can choose books from within. For example, they may have a range of 3.2 4.5. They would then begin on a book levelled 3.2 and can read their way through up to books levelled 4.5.
- This range ensures children do not read books that are too difficult for them and allows the child the ability of free choice whilst being guided within a range so they can choose books that meet their interests.
- Children can complete a quick quiz at home after they have finished reading the book to check that they have understood what they have read.

English – how we teach writing at Gilbert Colvin

- Writing is taught during the designated, hour long, English sessions.
- Writing is based on high quality texts that drive teaching and learning in these sessions
- Children learn a range of literary features to apply to their writing.
- Children have the opportunity to write a variety of different types of writing across the year.
- Children follow a 5 step writing process, in which they plan, write, revisit, edit and publish their work.
- A variety of text types and high quality models of writing are used to support pupils, allowing the children to see how the literary skills learnt in lessons are used effectively in a broad range of genres.
- Writing, at Gilbert Colvin, always has a purpose and an audience.
- Alongside this, children are taught about spelling, handwriting, grammar and punctuation.

Maths – how we teach maths at Gilbert Colvin

- •We follow a progressive and ambitious scheme in years 1-6: Mathematics Mastery
- •It promotes deep, mathematical thinking with connections made across the curriculum
- •Lessons follow a 6-part structure, giving children lots of time for rich discussions and 'doing' the maths
- •Children use manipulatives so they can 'see' the maths
- •Focus on fluency, alongside problem solving and reasoning
- CPA approach (concrete, pictorial, abstract)

Homework

Homework is sent directly to parents each Friday via Arbor.

Please let us know if you are unable to access the homework.

Homework Expectations Per Learning Phase:

EYFS		
Time	Area	Task
Daily	Reading	1 x Read levelled RWI book
		1 x Read along for pleasure book
	Phonics	High frequency words and sounds book
Weekly	Read Write Inc. Phonics	Weekly activity links given
Fortnightly	Maths	A piece of Maths homework will be sent home fortnightly. Other suggested activities to do at home.
Termly	Project/Creative	Suggested trip to a place of interest
		Outside learning Cooking together
		Key Stage 1
Time	Area	Task
Daily	Reading	2 x Read levelled RWI book or 1 x Accelerated Reader book 1 x Read along for pleasure book
	Phonics / Spellings	High frequency words and sounds book / spelling words given by class teacher
Weekly	Phonics (Year 1)	Read Write Inc. activities set
	Spellings	Spelling Shed activities
	SPAG	Answer set questions on www.spag.com
	Maths	Answer set questions on www.maths.co.uk
Termly	Project/Creative	Topic Research
		Suggested trip to a place of interest
		Creative project
		Outside learning
		Cooking together
Key Stage 2		
Time Daily	Area	Task Accelerated Reader book
Dally	Reading	Accelerated Reader Book
	Spellings	Spelling Shed activities
	Times Tables practice	TTRS (Times Tables Rock Stars)
Weekly	Reading	Accelerated Reader Quiz
	SPAG	Answer set questions on www.spag.com
	Maths	Answer set questions on www.maths.co.uk
Termly	Project/Creative	Topic Research
	· ·	Suggested trip to a place of interest
		Creative project
		Outside learning
		Cooking together
	1	Media/Computing Project

Homework

Online quizzes

This week, the children can focus on their mental addition and subtraction skills to help them with the enterprise project.

www.Maths.co.u
k – you have a
test this week on
Number and
Place Value.

your test this week focuses on Verb Tenses

This half term's project Choose a living thing and create a diorama of its habitat. The diorama needs to be scientifically accurate.

Homework Year 6
Date: 13/09/2024
Complete: 20/09/2024

Website Learning: Have you tried these website games?

bbc.co.uk Spag online

Spellings: Practise doubling the consonant when adding a suffix to a verb, as well as the Year 5 and 6 spelling list.

Grammar: Identify different types of verbs in your book.

Arithmetic: Practise any times tables you are not secure with. Apply these larger numbers or decimal amounts, for example, 60 x 40 or 0.4 x 6

<u>English:</u> We will be editing and publishing our diary entries from this week. We will also be continuing to read the story 'Once' and thinking about how authors build tension and excitement in their stories.

Maths: In maths, we will be consolidating our understanding of place value and rounding. We will also be practising addition and subtraction strategies.

- World Teachers' Day (non-uniform day fundraising event) Monday 6th
 October
- 'Bring and Share' (European Day of Languages) Friday 26th September
- Black History Month October
- Harvest Festival TBC October
- Bake Sale (fundraising event) Thursday 16th October
- Trip to The Globe Theatre 4.12.25

How can I support my child this year?

- Please ensure your child arrives at school promptly (before 9am) so that they don't miss any learning
- Check Arbor daily for messages, email and homework
- Look at what your child will be learning each term by exploring our 'curriculum' part of the website
- Make sure your child reads every day and sign their reading record
- Talk to your child about what they have been learning each day
- Screen time at home could include Times Tables Rockstars, Spelling Shed and (anything else you suggest)

Parent/school communication

For most communication, the school office will be parents' first port of call. You can email the admin team on Admin.GilbertColvin@redbridge.gov.uk or telephone directly. For anything class related, you can contact your teacher by sending an email to the office. If your query is about day-to-day arrangements including absence, changes to pick up arrangements, please let the office know.

If you have a concern and have already raised it with the class teacher, the phase leader should be contacted via the office. If a concern is escalated, one of the core leadership team will speak with parents.

Our <u>Complaints Policy</u> provides parents with clear guidance on how to raise a concern and outlines the steps involved in the process. However, the school is committed to addressing and resolving any issues before they escalate to a formal complaint.

As always, we ask that parents speak to all of our staff politely and respectfully, and of course, you should expect exactly the same from us!

- Please send your child in wearing their PE kit on Tuesday.
- Children can bring in their own water bottles. These can be filled at the sink in their classroom
- If parents want to speak to the class teacher, either speak to the teacher on the playground or arrange an appointment through the school office
- Check the weekly newsletter for important dates or the calendar on the school website <u>https://www.gilbertcolvin.co.uk/information-for-parents/school-calendar</u>
- If parents have concerns about their child, speak to the class teacher. If it needs to be escalated, arrange a meeting with the phase leader. Concerns or queries may be passed on to the Assistant Headteacher, the Inclusion Manager, Deputy Headteacher or Headteacher.
